

MUSC

Manufacturing Using Sustainable Chemistry

2nd Meeting at York Science Park, 16th February 2012

Programme

9:30	Registration
10:00	<i>Overview of Challenges and Opportunities facing Chemical and Pharmaceutical Manufacturers</i> Mr Mike Lancaster, Chemical Industries Association
10:20	<i>Biorenewables Development Centre</i> Dr Mark Gronnow, Green Chemistry Centre
10:45	Dr Adrian Higson, NNFCC
11:10	Coffee
11:25	Mr Tim Hullock, Vivergo Fuels
11:45	<i>Microwave Chemistry - Out of the Lab and into Production</i> Yvonne Wharton, C-Tech
12:10	<i>Microwave Biorefining</i> Dr Vitaly Budarin, Green Chemistry Centre
12:35	Lunch, Poster Session & Tours of the Biorenewables Development Centre
14:30	Introduction to Afternoon Session by Chair Dr Joe Ross
14:35	<i>Knowledge Transfer Partnerships</i> Mr Jon Dean, KTP Adviser
14:55	<i>Lab to Industrial Scale Microwave Process Chemistry</i> Dr Marilena Radoiu, Sairem
15:20	Dr Ondrej Masek, Biochar Research Centre
15:45	Final Discussion
16:00	End of Day
